

Notice To: All Iowa High School Soccer Coaches  
Iowa High School Soccer Coaches Association dues for the 2005-2006 school year are now due.

There are several advantages to being a member of the IHSSCA. Being a paid member you are given the opportunity to participate in the following activities:

- Attendance at the AGM (Annual General Membership Meeting) at a discounted rate. The Annual Workshop is an excellent opportunity to attend clinics presented by some of the best college, club, and high school coaches from the area. Some of the topics would include technical and tactical sessions, which would aid in developing a strong soccer program at your respective school.
- For those who coach boy's teams you are given the right to vote for the boys All State Team.
- Receipt of a periodic newsletter by mail and email notices (for those who have computer access).
- Access to the organizations website which contains such items as articles on the game of soccer, statistics for boy and girls teams and players, state rankings, a coaches directory, nomination and voting forms, and special event notices.
- Nominations for the Academic All State teams (boys and girls).
- Recognition of coaching milestones.
- Nomination and voting for the annual East/West All Star Games. This is for both the coaches and players.
- For some an opportunity to participate in the rankings for the boys team across the state.

In the past, many High School Athletic Departments and booster clubs have paid for their soccer coach's memberships, which is quite common in other high school sports. We urge ALL coaches, both boys and girls head and assistant coaches to bring this notice to the attention of their athletic director and/or President of their Booster Club for consideration of paying dues.

With the advent for the new web site we need more participation from all soccer coaches in the submittal of information and articles of interest. This is your soccer coaches association and all the members are encouraged to become involved with the functions and operations of the IHSSCA. Anyone wishing to volunteer please contact Jim Wright at: [wrightjamesp@msn.com](mailto:wrightjamesp@msn.com).

This will be the only dues notice that the IHSSCA will send out. Please complete and send the membership application form with your dues check, Payable to the IHSSCA and mail to the address below.

-----  
2005-2006 IHSSCA MEMBERSHIP APPLICATION AND DIRECTORY INFORMATION
